MODIFICATIONS TO THE CONTRACT

1. In accordance with the Section B clause entitled, "PRICE/COST SCHEDULE", and the Section I clause entitled, OPTION TO EXTEND THE EFFECTIVE PERIOD OF THE CONTRACT--TIME AND MATERIALS OR LABOR HOUR CONTRACT (EPAAR 1552.217-75)(JUNE 1984), Option IV is exercised as follows:

(a) Option IV (CLIN 0005) prices are exercised as follows:

B.2 PRICE/COST SCHEDULE, Line Item # 0005

Contract Line Item (CLIN)	Description	POP	Hours	Price/Cost
Option Period 4				
401	Total Labor Hours			
402	Other Direct Costs			
403	Contract Access Fee (CAF)			
TOTALS	For Option Period 4			

(b) The Ceiling Price clause is modified to reflect a new and separate ceiling price of [REDACTED] for Option Period IV.

(c) The Effective Period of the Contract clause is modified to extend the task order to 3/31/2020.

2. The following clause is hereby added to section B:**B.6 Limitation of Government's Obligation (EPA-B-32-103)**

(a) Severable services may be incrementally funded. Non-severable services shall not be incrementally funded. Contract line item 0005 is severable and may be incrementally funded. For these items, the sum of [REDACTED] of the total price is presently available for payment and allotted to this contract.

(b) For items identified in paragraph (a) of this clause, the Contractor agrees to perform up to the point at which the total amount payable by the Government, including reimbursement in the event of termination of those items for the Government's convenience, approximates the total amount currently allotted for those items to the contract. The Contractor shall not continue work on those items beyond that point. Subject to the clause entitled "Termination for Convenience of the Government," the Government will not be obligated, under any circumstances, to reimburse the Contractor in excess of the amount payable by the Government in the event of the termination of applicable contract line items for convenience including costs, profit, and estimated termination costs for those line items.

(c) Notwithstanding the dates specified in the allotment schedule in paragraph (h) of this clause, the Contractor will notify the Contracting Officer, in writing, at least 60 days prior to the date when, in the Contractor's best judgment, the work will reach the point at which the total amount payable by the Government, including any cost for termination for convenience, will approximate 75 percent of the total amount currently allotted to the contract for performance of the applicable items. The notification will state (1) the estimated date when that point will be reached and (2) an estimate of additional funding, if any, needed to continue performance of the applicable line items up to the next scheduled

date for the allotment of funds identified in paragraph (a) of this clause, or to a substitute date as determined by the Government pursuant to paragraph (d) of this clause. If, after such notification, additional funds are not allotted by the date identified in the Contractor's notification, or by an agreed substitute date, the Contracting Officer will terminate any item(s) for which additional funds have not been allotted, pursuant to the clause entitled "Termination for Convenience of the Government."

(d) The parties contemplate that, subject to the availability of appropriations, the Government may allot additional funds for continued performance of the contract line items identified in paragraph (a) of this clause and will determine the estimated period of contract performance which will be covered by the funds. If additional funds are allotted, the Contracting Officer will notify the Contractor in writing. The Contractor shall not resume performance of the contract line items identified in paragraph (a) until the written notice is received. The provisions of paragraphs (b) through (d) of this clause will apply in like manner to the additional allotted funds and to the new estimated period of contract performance. The contract will be modified accordingly.

(e) The Government may, at any time prior to termination, allot additional funds for the performance of the contract line items identified in paragraph (a) of this clause.

(f) The termination provisions of this clause do not limit the rights of the Government under the clause entitled "Default". The provisions of this clause are limited to the work and allotment of funds for the contract line items set forth in paragraph (a) of this clause. This clause no longer applies once the contract is fully funded.

(g) Nothing in this clause affects the right of the Government to otherwise terminate this contract pursuant to the contract clause entitled "Termination for Convenience of the Government".

(h) The parties contemplate that the Government may obligate funds to this contract in accordance with the following schedule:
